TANK-LED U. S. 1ST CAVALRY TROOPS RACE TO RESCUE OF TWO S. KOREAN DIVISIONS UNDER HEAVY PRESSURE

Other American Units, Meanwhile, Stab Within 35 Miles of International Boundary — ROK 6th Division is Driven Out of Onjong and Loses 30% of Forces.

By Irving R. Levine
(I. N. S. War Correspondent)
SEOUL, Oct. 30.—(INS)—Tank-
led U. S. First Cavalry Division
troops raced today to the rescue of
two South Korean divisions which
were under severe pressure by re-
surgent Red forces near the Man-
churian border.

While other American units stabled
within 35 miles of the interna-
tional boundary, the mechanized
cavalrymen headed for the Onjong-
Unsan area where an estimated
10,000 Communist troops were waging
a surprise counter-push.

The ROK (Republic of Korea)
Sixth Division was driven out of
Onjong and lost 30 per cent of its
forces. It was the first serious set-
back suffered by United Nations
troops since the breakout from the
Pusan perimeter six weeks ago.

The North Korean Reds, report-
edly augmented by Chinese Commu-
nists, also regained the initiative
against the ROK Eighth Division,
on the right flank of the ROK Sixth.

All along the North Korean front
an estimated 130,000 UN troops met
increasingly stubborn resistance
that slowed—and at points reversed
—the big Allied drive toward Man-
churia's Yalu river frontier.

In the rear areas, the North Ko-
reans simultaneously stepped up
guerrilla attacks and launched
what Gen. Douglas MacArthur's
headquarters spokesman described
as a systematic terrorist campaign.

The official said the Reds already
have assassinated "several" North
Koreans temporarily appointed by
UN officers to local governmental
posts.

Despite the Communist counter-
pressure at the front, a spearhead
of the ROK Sixth which had reached
the Yalu above Chosan last Thurs-
day was reported still holding its
isolated advance position. American
planes were parachuting sup-
plies to this unit.

Forty-six miles to the south, the
Reds slashed the ROK Sixth's over-
extended communication lines,
swept back into Onjong and forced
the South Koreans to retreat south-
east to a new line pivoted on Yong-
pangong.

Unsan, ten miles below Onjong,
was believed still in South Korean
hands as of Sunday night as violent
fighting throughout the area raged
in its fourth day.

Gen. MacArthur, in a communique
issued at 4 o'clock Monday after-
noon (2 a. m. Monday EST), de-
clared that "the enemy launched a
heavy attack in the Onjong area
yesterday in an effort to slow the
United Nations drive to the Man-
churian border."

The bulletin said both the ROK
Sixth and Eighth Divisions "defend-
ed" themselves "against strong at-
tacks in the area southeast of On-
jong." It added that "some anti-
tank guns and vehicles previously
lost were recovered by elements of
the ROK Sixth Division."

Southwest of the flaming Onjong-
Unsan sector and in the middle of
the 60-mile UN front in Northwest
Korea, armor-paced U. S. 24th In-
fantry Division troops smashed ten
miles northwest from captured
Taechon.

AIRLIFT CONTINUES

Maj. Gen. Laurence S. Kuter, C. O. of the Military Air Transport Service, says the Pacific airlift will continue after the end of hostilities in Korea. "There will be an extensive and further deployment of troops and materiel," he said.

It cannot be assumed the general has secret intelligence reports of new Communist aggression building up. Formosa and Indo-China, are known Red objectives.

With the end of the shooting war, speed in transport is not nearly as urgent as it has been. Steamships will come into their own again as prime carriers. But the planes must keep on flying to the Far East. They will be strung out farther apart, that's all.

Key military and civil personnel must get back and forth in a hurry across the 5,200 miles between San Francisco and Tokyo. There will be rush express boxes of parts for aircraft, tanks and artillery. New refinements for existing armament will be sent out for testing without delay by men who used last-up models in combat. There will be reels of new movies for entertainment—and continued huge quantities of air mail.

At Pacific air fields freight is being stowed and passengers are going aboard. They'll settle down in upholstery, on hard bucket seats, or fit themselves among the mail sacks as best they can. For them, speed over water is what counts.

WHEN THEY NAME HER

There have been hints from time to time that revised naval strategy may have a place in it for a large flush-deck carrier after all. Work on the original "super carrier," it will be recalled, was started, and as quickly halted, at Norfolk, Va., in the spring of 1949.

These hints may or may not presage resumption of construction of the Navy's immense "United States," a name which has since been pre-empted by a luxury liner. But if they are starting the hull of the biggest combat vessel the world has ever seen, this would seem a good time to forget politics, Korea and the administration's foreign policy long enough to rush into print with a suggestion for a name for her.

The majority of U. S. carriers are named for famous American battles, so it would be appropriate that the new ship carry the name of a tussle the Navy is not likely to forget for some time. The name? Why, U. S. S. Pentagon, of course.

The current conflict will determine the fate of the world for 100 years, it is asserted. This is the conflict that followed five years after the one that was to determine the fate of the world for 1,000 years.

The United States has 450 atomic bombs ready to be delivered, F. O. B. anywhere in Russia, according to a Senator. That should be enough for a starter.

ECHOES OF THE PAST

(By Courier Staff Member)

Review of the news as it appeared in the Bucks County Gazette issue dated at Bristol June 19, 1902. The Gazette, a weekly news paper published at Bristol, was discontinued following its merger with the Courier.

Patrick F. Keating, of Bristol, is a member of the firm of T. J. McIlvaine & Co., which has obtained possession of the big Rumpf mill at Eden and will engage in manufacturing wall paper. Messrs. McIlvaine and Keating were associated in a similar business at York, Pa., but severed their connections at that place to inaugurate the enterprise at Eden. . . . Active manufacturing will commence about July 1st.

LANGHORNE — Henry Palmer has taken possession of the coal and lumber yards recently purchased from the trustees for Frank Duffield.

At a meeting of the board of directors of the People's National Bank held last week, the matter of fixing the date for celebrating the formal opening of the new bank building was considered. In all probability, Saturday, June 28th, will be the day. The structure and its equipment fully meets the approval of directors and persons who have patronized this institution ever since its organization; in brief, it is second to none in Bucks County. . . .

ANDALUSIA — A fire occurred at the Red Lion Inn on last Saturday night about midnight. An awning was set on fire and a man who was seen lurking about the place is suspected of trying to start the fire in front of the hotel, thus attracting the people to the scene while he robbed the bar-room till. The fire was put out without much damage being done.

MORRISVILLE — The trolley company has been running summer cars the past week which are a great improvement over the cars they have been running. . . .

NEWPORTVILLE — As we passed along the Bristol pike on Sunday we noticed that the ties for the extension of the trolley tracks were all down up to the Newportville road. . . .

Bromley Wharton, Esq., was elected a delegate at an election held at this place on Saturday last.

The body is built for a capacity of 700 to 800 feet of cotton hose. . . . The weight of the wagon is 1300 pounds. The price paid was \$498. . . .

Arrangements have been made by the Pastor's Aid Society of the Bristol Presbyterian Church for the giving of the third annual moonlight concert on the steamer "Columbia" on Tuesday evening, July 22. The trip will be made as far as Washington Park. About 150 singers from the different churches have volunteered to render a specially arranged programme. Miss Esther Lawrence has charge of the arrangements.

The new addition to the Bristol Worsted Mills is rapidly nearing completion. The cement roof and floors in the last section are now being laid, and when this work is completed, the building will be ready for the machinery. When the new machinery is all set up 150 to 200 additional hands will be required.

Coroner Kunsman, of Morrisville was a visitor to Bristol on Tuesday.

Richard Gosline, one of Bristol's oldest residents, died at his home, 536 Swain street, on Tuesday of heart disease. The deceased was born in Bristol 84 years ago. . . .

Paragraphs of interest to those interested in the Bristol Young Men's Christian Association.

The YMCA youth basketball league will begin its season Monday evening, November 6th. Five teams are entered in this league. The teams and their managers are: Harriman Methodist, Theodore Shroff; Croydon A. C. H. Struble; Fourth Ward, John Corrigan; Bristol Presbyterian, Richard Kornstedt; and Bensalem A. A. Joseph Ludwig. The managers held a meeting, Tuesday evening, with Roy Butterworth, who will conduct the affairs of the league. At this meeting it was decided that Tuesday evening, October 31st, will be the deadline for new teams to enter. A meeting of the managers will be held at that time and a team desiring to enter the league must have a manager present with the team's roster. The age limits for boys participating are 14-18 years of age.

Last Friday evening over 50 young boys and girls gathered at the YMCA for a Halloween party. Three prizes were awarded. "Rocky" Bloom received a world bank prize for prettiest impersonation being that of a fairy queen. Harold Saxton portrayed "Uncle Sam," to receive a prize for the most original; Andrew Persephone received a prize for funniest costume, old-time cowboy suit with boots. Candy and apples were distributed.

This week the "Y" will be open to all members Monday through Thursday evenings. Next Friday evening will be young folks night. Movies will be shown with dancing to follow.

Newlyweds Will Take Trip To The U. S. Capital City

Attended by a cousin and a niece, and escorted by her father, Miss Katherine M. Baur made her way to the altar of Harriman Methodist Church on Saturday afternoon at four, there to take the vows which united her in marriage to Mr. Robert MacDonald, 409 Washington street, son of Mrs. William MacDonald, Otter street. The bride is the daughter of Mr. and Mrs. Matthias Baur, 350 Hayes street.

Prior to the double ring ceremony, performed by the Rev. Rowland Carlson, pastor of the church, Mr. Leslie Rogers sang "O Promise me" and "Because," his accompanist being Mrs. Rowland Carlson.

Miss Joan Fahringer, Garfield street, was maid of honor. Her shrimp toned dress of faille was cut with a form-fitting bodice, and full skirt; a short-sleeved jacket being worn with the gown. The small faille hat of shrimp shade had net rosettes on either side of the face. With this costume silver slippers were worn, and Miss Fahringer carried a nosegay of chrysanthemums in contrasting colors. The flower girl, Yvonne Poliflet, Bloomsdale Estates, a niece of the bride, wore a gold faille gown, the skirt being floor length. Her hat was in gold tone, black slippers were worn, and she carried a basket of "mums."

The bridal gown was in white crepe, and floor length. Lace was used effectively as neckline trim, and sleeves were short. The bride's shoulder-length veil of net fell from a pearl-trimmed cap, and she carried a white Bible on which rested a white orchid.

Mr. Walter MacDonald, a member of the U. S. Army, served his uncle as best man.

One hundred guests were served dinner at the Penn Manor Club, Falls Township, prior to the newlyweds leaving for Washington, D. C. They will return in a week after a tour of the capital city and other points south. For a travelling costume the bride selected a navy blue suit with matching accessories, and a blouse in gold tone. She wore an orchid. Place of residence for Mr. and Mrs. MacDonald will be 311 Garfield street. Mr. MacDonald is employed by Paterson Parchment Paper Co., Edgely; and his bride is an employee of Philco Corp., Croydon.

SAFETY AND TOUCHDOWN ENABLE DITMAN A. C. TO WIN OUT OVER ST. ANN'S AND GRIP LEAGUE LEAD

PHILADELPHIA, Oct. 30 — A safety and a touchdown in the second quarter enabled Ditman A. C. to win out over St. Ann's A. C. 8-6, and take undisputed possession of first place in the Northeast Football Conference yesterday in a well-played game on the Ditman field. Torresdale and Cheltenham avenues.

As the result of its loss, St. Ann's dropped into a deadlock for second place with four other teams. Willow Grove, which had also shared first place with Ditman and St. Ann's, was beaten by Tacony Boys Club, and Olney defeated Cheltenham. Langhorne Aces received a forfeit from the Rockton team which withdrew from the circuit. St. Ann's, Willow Grove, Olney, Tacony, and Langhorne have won three and lost two.

St. Ann's played listless ball in the first half of the tilt, fumbling quite often and messing up their plays. Several passes were intercepted at the height of drives. Ditman took advantage of a let-down in the second quarter to score both the safety and six-pointer within the space of several minutes.

The Bristol team came to life in the second half and hit pay dirt in the final quarter but a determined Ditman team managed to hold and force fumbles at crucial times to take possession. In all, St. Ann's made eight first downs while Ditman had one more.

Outstanding for the victors was the lanky "Jim" O'Keefe, who caught a pass for the winner's lone touchdown and whose constant leaping high into the air to catch passes thrown by Bob Young had the St. Ann's rooters on edge all afternoon.

Nick Spadacino, Bill Martin, and Joe Andriotti picked up the best yardage for the "Saints" with Joe Potena, Buster Monachello, Luke Wade, and Iannucci doing fine work on the defense. Marvin Collins got off a few nice boots when called upon.

A missed first down hurt the Bristol team in the first period. An exchange of punts saw St. Ann's at an advantage and taking over on its 47. Spadacino, on end run, made 16 yards. A Ditman penalty and Florelli gave St. Ann's eight yards after which Elmer and Dentino missed a first on Ditman's 28. The latter kicked out of danger. Spadacino got off on a 28 yard sprint late in the quarter but St. Ann's lost the ball on a fumble.

Ditman scored all its points in the second session. A beautiful kick by Young came to rest on the five-yard line. Line smashes by Joe Elmer and Dentino carried the ball to the 16. Dentino followed

with a first down on the 35 but St. Ann's was penalized to its 10-yard line. Elmer made 9 yards and Spadacino followed with a first on the 30. St. Ann's drew a 5-yard penalty. Dentino was stopped and lost six on the following play. Dentino was in kick formation on third down when the pass from center was high and went into the end zone. Penczak and Dejewski hit Dentino before he could run out of the end zone.

The Ditman team followed the 2-0 lead with a touchdown. Collins kicked to the St. Ann's 40 where Riel ran it back to the Ditman 45. A pass, Young to O'Keefe, was good for a first on the St. Ann's 45. St. Ann's drew a 5-yard penalty. Riel was stopped in his tracks. Young threw a long pass which was caught by O'Keefe on the 15. He went the remaining distance unmolested to make the count 8-0, as Young missed the conversion try.

A pass interception by Fisher ended a 35-yard drive by the "Saints" in the third period but in the last canto, St. Ann's crossed the goal line. Bellas gave the Bristol team possession by a pass interception on the 20. Two plays were stopped when Bill Martin threw a pass to Nick Spadacino, who was downed on Ditman's 32. Joe Andriotti picked up nine yards and Martin made a first on the 22. Dentino threw a pass to Clarence Anderson who made a fine catch on the two-yard line. Andriotti bucked the line for the touchdown. The extra point try, a pass to Spadacino, was unsuccessful.

A Ditman drive of 40 yards was halted in the waning moments of the game when Al Sozio recovered a fumble on the 19 but following a first down, St. Ann's lost the ball on a fumble on Ditman's 44.

ST. FRANCIS TIES WITH GLOUCESTER

GLOUCESTER, N. J., Oct. 30 — St. Francis Vocational School, of Eddington, surprised the Gloucester Catholic High team yesterday afternoon by holding it to a 6-6 deadlock and outplaying the homesters throughout the entire fracas. Last season, Gloucester romped to a 38-6 win.

After tying the score in the second quarter, St. Francis twice threatened to score in the second half, getting within the ten-yard twice. On each occasion, thrown passes by Francis and McGann barely missed their mark.

Gloucester scored within the first three minutes of the game when Bob O'Neill got off on a 40-yard sprint to carry the ball to the eight-yard line from where "Jim" Gibson scored.

Ambrose Wicks set up the St. Francis touchdown with a 60-yard run. Gus DeBello chugged the ball over from the four-yard line. Dave Potter's rush attempt for the extra point failed.

St. Francis had 18 first downs to the home team's 8.

"Ace" McGann did some nice throwing of passes when he entered the game in the second half, click-

BENSALEM OWLS WIN FOURTH TILT IN ROW IN LEAGUE

CORNWELLS HEIGHTS, Oct. 30 — Bensalem Township won its fourth straight game of the Lower Bucks County League here Saturday afternoon by whipping the Southampton High team, 20-7. The Owls have two more circuit games on their schedule, Bristol and Neshaun.

The Bensalem eleven came from behind to capture the contest as the Greyhounds jumped into the lead in the first few minutes of the contest. It was Howard "Sonny" Peak who put Coach Claude Lodge's team in front the first time Southampton handled the ball.

The play followed Walt Smith's kick out of bounds on the Southampton 30. With Peak getting seven yards on a line play and Bensalem being penalized five yards, the Greyhounds were on the 42. Here, Peak again took the ball, cut into his right tackle, and then reversed his field to take to the left sidelines and gallop 52 yards for the Southampton touchdown. A forward pass, Peak to Blanks, made the extra point and the visitors were in front, 7-0.

That ended all the offensive threats of the Southies as during the remainder of the fracas they had but two first downs to their credit.

Coach Marlon VanHorn's proteges actually did not get to work until the first quarter was almost over. Then they put on a steady drive that culminated in a touchdown at the start of the second period. The march began on the resident team's 42. Bader picked up four and Bowman whipped a pass to Alex Martin for a first on Southampton's 42. Another pass, Bowman to Martin, was completed on the 28. Bowman faked a pass and stepped off 19 yards for a first on the 18. Bob Ballisty ripped off eight yards and Al Bader made a first on the 4, as the quarter ended.

Southampton made a gallant goal-line stand but the Owls were not to be denied. Ballisty hit the line and so did Bowman but their net yardage took Bensalem to the 1-yard line. A fumble lost three. On fourth down, Bowman pitched a pass to Bob Ballisty which was completed in the end zone for the TD. Ballisty dropped the ball but the officials ruled that he had possession. On a pitch-out from John Bowman, Bader scored the tying point, 7-7.

The visitors made another fine stand after Bensalem got as close as the eight-yard line. The drive ended when Ed Weimer intercepted a pass on the four.

But shortly after, Bensalem went into the lead with a score. Peak kicked out on the Bensalem 45. Bader ripped off seven yards on a line thrust. A well-executed double-pass gave Bensalem a first down on the 19. Bader took the pass from center and tossed a screen pass to John Mellor. Still behind the line of scrimmage, Mellor aeriaded to Ballisty. Bernie Broza picked up five after which Mellor stepped into the backfield to throw a touchdown pass to Bader in the end zone. Martin missed the extra point try.

Bensalem made three consecutive first downs before going over for its final touchdown in the third quarter. Forced to boot, Peak kicked to Bader on the 30. The runner made his way back to the 43. Bader knocked off three yards and Al Parker was stopped without a gain. Bowman crashed the line for a first on Southampton's 42. Bader took it to the 26 and Bowman followed with a first on the 28. Broza hit the line for six and Bader one. Bowman was good for a first on the three. Broza and Bowman were nailed without gains. Bowman crossed the visitors on third down by throwing a running pass to Alex Martin for the TD. The 20th point was also an aerial. Bader to Mellor.

Al Parker, a freshman, led the Bensalem attack in the last quarter, as the Owls reached the 18-

yard line before losing the pigskin on a fumble.

Bensalem had 15 first downs to Southampton's 4.

Lineups:
Bensalem (20): Ends: Gloyd, Martin, Mellor, Dwyer; Tackles: R. Scott, Smith; Guards: D. Scott, Carlington, Bristow; Centers: Connolly, Ulin; Backs: Bowman, Bader, Broza, Ballisty, Parker.
Southampton (7): Ends: Blanks, Adair, Schidler, Strope; Good; Tackles: Jackowitz, Maples, Daly; Guards: Werner, Swank, Mason, Calhoun, Ott; Centers: Weimer, Heaton; Backs: Peak, Heger, Kramel, Fagan, Beigle.

Score by periods:
Southampton — 7 0 0 0-7
Bensalem — 0 13 7 0-20
Southampton scoring: Touchdowns: Peak.
Bensalem scoring: Touchdowns: Ballisty, Bader, Martin; points after touchdowns: Bader (rush), Mellor (pass).

Officials: Referee, Bauroth; umpire, Kieha; head linesman, DeWitt.

Life Ends Before He Can Build "Car"

Continued from Page One

year-old Mrs. Kenneth Clifton, the former Miss Doris Odyke. It is believed that Mrs. Clifton ended the life of her only child, then her own life, at about two o'clock yesterday afternoon. Her husband made the tragic discovery when he returned home from his employment a couple of hours later.

"She was a nice person," is the way neighbors refer to Mrs. Clifton. Mrs. Clifton is described as naturally rather retiring, but some realized that she had evidently been in a more nervous state during the past few months, this showing itself through the fact that she would talk at length in a nervous manner. "It was unlike her old self," they add. "But we realized that it was difficult for her to cease talking about a subject, once she had started. She seemed quite nervous during recent months."

Remembering that Mrs. Clifton was troubled by a back ailment, another neighbor said that occasionally when doing her heavier housework, Mrs. Clifton found it necessary to wear a back support. "And I think she worried quite a bit about 'Billy's' condition. He had an allergy of some sort and he would occasionally be seized with seasons of sneezing. She thought the world of the boy."

A block or so away yesterday morning, "Billy's" pal, little Dennis deDonado, had proudly displayed his newly-completed "soapbox" to "Billy." The two, with other lads, had centered their interest on these

vehicles throughout the day, and "Billy" had been at the deDonado home as late as one p. m., an hour before the time at which the double killing is believed to have taken place. Billy's enthusiasm for a "soapbox" of his own reached a high point, and he and his pals commenced preliminary work on it. Today the spare wheels of a cart, bits of wood, and so on, lay neglected, the expectations ended by tragedy.

Some of the neighbors recalled this morning that they had seen little Mrs. Clifton yesterday. "It did seem strange, now that I think of it," commented one neighbor. "Yesterday was such a nice day, and Mrs. Clifton, being rather nervous, seemed to like to get out of the house when the weather was nice."

"Billy" chatted with next door's neighbors throughout the day, and played for a time on his own lawn with his pals.

He was a pupil in grade two at Edgely public school.

Mrs. Clifton is survived by her husband; her parents, Mr. and Mrs. Raymond Odyke, Market street; and a sister, Mrs. Wilfred Poulette, Eddington.

Fleetwing Estates Kiddies To Parade

Goblins, ghosts and story-book characters will make their way through the streets of Fleetwing Estates this evening, when the children set off on their Halloween parade. The boys and girls will meet at the little store on Bloomsdale road at seven p. m., where each one will be given a number. Then, to appropriate Halloween music, they will wind their way along Bloomsdale road, down Fleetwing Drive, up Mustang street, along Liberator street, then Airacobra street.

After the parade, the children will return to 57 Airacobra street, home of Mr. and Mrs. Carl Lindberg, where prizes will be awarded to the prettiest, most original, funniest and the best dressed, and candy favors will be given to everyone in the parade.

Residents of Fleetwing Estates are requested to have their porch lights on tonight, as bright as possible, to light the way of the marchers and to help the judges, who will be stationed along the route and will meet afterwards at 57 Airacobra street to give their decisions. In case of rain, the parade will be held tomorrow, Tuesday evening, at 6.30 instead of 7.00 p. m.
